Subject: Kinesics Member Update 3/24/2020

Dear Kinesics Members,

I wanted to update you after recent events.

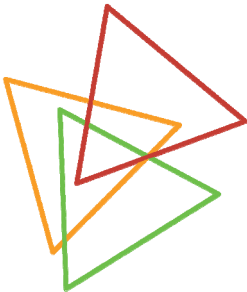

In response to the Stay At Home order from Governor Edwards this past Sunday, we issued new work policies at Kinesics. As of noon Monday, the Kinesics staff shifted to remote work. We are fortunate that most of our daily functions can be done from home, so business will continue as usual.

We will continue to apply for relief as new options become available. Thank you to those of you who have shared resources. Please continue to share as any assistance is helpful.

I am confident we will push through! We have a wonderful team that has easily transitioned to this new style of work.

I pray we all stay safe and healthy during this time!

Sincerely,
Matt Adler
