Letter from the CEO

Dear Kinesics Members,

Your family at Kinesics is with you in prayer as we start the recovery process from the recent hurricane. We are taking care of our team and their families as best we can. Please do not hesitate to reach out if you or someone you know needs assistance!

Members Access

We created a gated webpage with content specifically for our Members. There you will find copies of past communication, financial statements, and legal documents. Per our Operating Agreement, we will share quarterly and annual statements in a timely manner, which will be posted on this webpage. To protect the interests of Kinesics' Members, I will no longer share financial documents via email. Please create a login at the below webpage to access the Members content:

After you sign up, I will approve your access. Moving forward, I will send you updates when new documents become available. If you have questions, you can call or text me at 225-202-0594.

Annual Meeting of the Members

The Board of Managers would like to invite you to an Annual Meeting of the Members on **Friday, September 24, 2021, at 10:00 AM Central**. We will discuss the previous financial periods, business and fundraising strategy, and technology development. To maintain COVID-19 protocol, the meeting will be held virtually, and details will be shared in a calendar invite sent today.

I look forward to speaking with you all soon!

Sincerely,

Matt Adler
CEO | Kinesics
