**Letter from the CEO**

Dear Kinesics Members,

We hope you are all in good spirits as we quickly approach Thanksgiving next week. Our team is certainly looking back at recent years with extreme gratitude to our employees, partners, customers, and investors.

**Q3 Financials are Available**

Our Q3 2021 Financials are available for viewing via the Members Content webpage. Please go to [kinesicshms.com/members](http://kinesicshms.com/members) to view and download the documents.

If you do not already have access to the Members Content, please follow these instructions:

1. Go to [kinesicshms.com/members/signup](http://kinesicshms.com/members/signup)
2. Sign up and wait for approval
3. Once approved, you will have access to past communication, meetings, financials, and legal docs

**Fundraising Update**

We are working on the final steps to open our Bridge Round of investment. Please be on the looking for more communication from me either later this week or early next week for next steps. While compiling the necessary documentation, we have been gauging interest from the community, and we look to position ourselves very well for this raise with interest from quality investors.

Today, I am happy to share our Investor Deck with you, which includes specifics about our company position and next raise. You can access the Investor Deck from our Members Content webpage or by going straight to [kinesicshms.com/invest](http://kinesicshms.com/invest) and using the code **invest2021**.

I look forward to sharing more with you all soon!

Sincerely,

Matt Adler  
CEO | Kinesics
